

User Manual for Zoom (for Web)

Zoom can be opened through website (browser), in which users can use it right away from the website. This manual instruction will explain on how to access Zoom through the website.

1. Open your Internet browser. Search ‘zoom’ in your search input and select search icon. Select the first search that appears as “Zoom: Video Conferencing, Web Conferencing, Webinars ...”

2. User will be redirected to the website “zoom.us”.

3. Select on the 'Join a Meeting' button on top menu.

4. User will be redirected at the 'Join a Meeting' page. Insert the 'Meeting ID' in the input text and select 'Join' button.
